Building Strong Ninjas

Students at PPK can now earn stars and PRIZES based on their character, inside AND outside of the building.

Since 2010 we have been focused on building up the minds and bodies of the young ninjas that call this place home; now we are taking the next step to focus on their character. Students will be rewarded by earning stars for good deeds like helping out at home or achieving straight A's (parent's digression) and also things the coaches see in class like encouraging their peers or exceptional behavior when instructions are being given.

1

DO

Encourage your little ones to be conscious of their behavior and DO GOOD THINGS.

2

EARN

These good things will result in stars being earned throughout the year.

3

WIN

The stars will be totaled up and prizes will be given out at every other Band Testing Event!
